

January 10, 2012

Dear Parent/Guardian:

It has been reported to Celina ISD and the Celina Police Department that a young girl encountered a person this morning who grabbed her backpack and emptied the contents on the ground and then ran. The District and police department are investigating the incident in an effort to keep this from happening again.

I send you this information not to scare you or your children, but to make you aware of this reported incident and to emphasize the importance of doing everything possible to keep our students (your children) safe. I hope you will assist the District in talking to your son/daughter about the precautions they should take when coming to or leaving school.

Sincerely,

A handwritten signature in black ink that reads 'Donny O'Dell'. The signature is written in a cursive style with a large, looped 'D' and 'O'.

Donny O'Dell  
Interim Superintendent  
Celina Independent School District
